**ISEA2011 Lounge @ Nuru_Ziya: 3rd Cocktail Hour today
18.00 - 20.00!**

TERRA VIRTUALIS AUGMENTIO

Terra Virtualis surveys site-specific Australian virtual art works – art which is deeply inscribed by its land of origin. Curated by the Australian Centre of Virtual Art (ACVA), the TERRA VIRTUALIS AUGMENTIO cocktail is presented by ACVA honorary ambassador Melinda Rackham who invites you to look at and discuss various forms of embedded sensory experience, and peel apart the layering of realities, exposing the physical emotional and virtual connections between us all. Terra Virtualis itself is a linguistic pun on Terra Australis Incognita - "the unknown land of the South."

Terra Virtualis artists Andrew Burrell and Troy Innocent, who are showing works @Nuru_Ziya, will be joined by special ISEA2011 guests Elif Ayiter, Selavy Oh, Tamiko Thiel and Igor Stromajer discuss the intrinsic and intimate entwinement of the virtual in everyday materiality. Today's cocktail hour @Nuru_Ziya also marks the launch of the newest online arena for discussion of contemporary artforms, The Australian Journal of Virtual Art, with texts by Darren Toffts, Melinda Rackham and Domenico Quaranta.
