Client: TRT

Project Director: Özge Güven

Design: Didem Öğmen

Latin Extension & Development: Onur Yazıcıgil

TRT

TRT is a custom typeface design project which was commissioned by Turkey's national broadcasting channel, TRT, (Türkiye Radyo Televizyon Kurumu) through TBWA / Istanbul global ad agency. This sanserif typeface family consists of four weights with their accompanying italics. The TRT typeface project was designed by Didem Ogmen, and optimized and extended by Onur Yazıcıgil to cover all Western, Central and Eastern Latin character sets.
